Authorization for Surgery and/or Anesthesia

Your pet is scheduled for anesthesia/surgery. In order to minimize the risk associated with anesthesia, we require preoperative blood work be done prior to any anesthesia. These tests will be performed in our in-house laboratory. The blood work serves as a valuable reference for the health of your pet for today's procedure.

I authorize AHOP to perform surgery and/or anesthesia on my pet whose name is _____. I can be reached **today** at the following phone number _____. I understand you must be able to contact me if further information is required (whether by text messaging or by phone).

You are required to select based on your pets' age. You may select a more comprehensive blood work panel which provides a more thorough review of your pet's health. (select one and initial:)
